Product information

Moisturize and relax your skin! The tonic normalizes the pH value and refreshes the skin. It gently removes the last particles of dirt and residue from the skin and supports the skin's natural protective function after cleansing. For an immediate "fresh effect" after cleansing.

PRODUCT RECOMMENDATION: Ideal for use in combination with Pure Cleansing Gel and Pure Mild Peeling.

Application

Apply a small amount to a cotton pad in the morning and evening after cleansing, and gently cleanse the skin.
