Soothing facial toner from the golden skincare range

- ✓ Natural cleansing water with valuable ingredients
- ✓ Gently removes all dirt particles and residues from the skin
- ✓ Proven to activate the skin's metabolism with AOO
- ✓ Intensively moisturizes and smoothes the skin

Product information

- ✓ Significantly reduces the size of pores

Balancing, regenerating toner with soothing witch hazel and wheat protein. Important for skin care as it normalizes the skin's pH value and prepares it optimally for subsequent care. Removes all dirt particles and residues from the skin. Aloe vera soothes allergic reactions and promotes skin regeneration. The skin is intensively moisturized and appears incredibly soft and supple.

PRODUCT RECOMMENDATION: Ideally combinable with Nutrition Milk and Mint Vitalize Peeling.

Application

Apply a small amount to a cotton pad in the morning and evening after cleansing, and gently wipe the skin.
